

Cottage Rental Information & Rules

- ATV** ATV's and other motorized recreational vehicles are allowed on the property of Camp Conewango for transportation from the main entrance to the cottage and from the cottage to the main entrance only. They are not to be taken into the campground.
- Fires** Campfires are allowed in the fire pit at the cottage. They must be attended at all times. Fire wood can be purchased at the Lodge. You cannot bring firewood from outside the area.
- Garbage** Please recycle. Collect all glass, plastic bottles, tin and pop cans in the blue box on the porch. Only kitchen garbage can be disposed of by Camp Conewango. Metals, chemicals and propane cylinders are to be taken home to dispose of.
- Parking** You can park your vehicles and boat/ATV/snowmobile trailers in the parking lot, or during the summer months beside the cottage.
- Guests** You can have daytime guests in the cottage, but they must register at the office. You are responsible for ensuring your guests register upon arrival and follow all rules and policies. The purpose of the visit must be to spend time with the cottage occupants, not simply to gain lake access. The number of guests permitted are limited to no more than 4 persons a day. To make other arrangements, talk to the Camp Conewango owners. There is a docking fee for any guests arriving by boat.
- Damages** You are responsible for any damages. When renting a cottage, you agree that if any damage occurs, it will be charged against your credit card at replacement value. If you do not have a credit card, a refundable damage deposit of \$1000.00 will be required. This will be returned on satisfactory inspection prior to your departure.
- Pets** Pets are not permitted in the cottages or the screened porch. This includes pets brought by any guests you may have. If a pet is brought into the cottage, for any reason, a \$250 fee will be charged to your credit card or damage deposit.
- Smoking** No smoking in the cottages. Smoking is permitted in the screened porch. Please use an ashtray or tin cans with sand for your cigarette butts. If smoking occurs in the cottage, \$300 will be charged to your credit card or damage deposit.
- Cleaning** Please leave the cottages reasonably clean and tidy. There is no cleaning fee if cottages are left in a reasonable condition. If there is excessive cleaning required when you leave, there will be a fee of \$250 charged to your credit card or damage deposit.
- Boats** All boats must be registered at the Lodge and may be launched at the public boat launch near the Camp. Please ask for the map. There is a fee to park a boat on land, shore or at the dock.

I understand and agree to abide by these rules.
